

Dear team captains, dear participants of the 65th World Airlines Ski Championships in Kitzbühel/Austria

Just 12 days until we all meet in the Austrian Alps, the final preparations have started and here I'm giving you a quick heads-up with some important tasks for the team captains.

Expect the opening of the race seeding lists by **Thursday, March 12**, you will receive a link on Zulip, via eMail and also there will be a link on the official IASF webpage.

The process is straight forward and there will be some guiding paragraphs included.

Don't wait with your seeding lists until last minute, in order to resolve possible issues.

The window closes 48h before the IASF Race Briefing, so please finish your race seeding lists by **Friday, March 20, 1600h loc Kitzbühel time**.

Our IASF Vice President Suzy Danielson will send you some important guidance for your arrival into Kitzbühel later today, don't miss it!

The crisis in the Middle East region is implementing potential travel difficulties for some teams, please contact Madeleine Sonnleitner (Eurotours) latest by **Saturday, March 14** and let her know about your plans. She will take care of cancellation requests, don't worry about it too much 😊

To all the participants of the 65<sup>th</sup> WASC, have a safe journey to Kitzbühel, stay safe and healthy and your Board of Directors cannot wait to welcome you @ the opening ceremony on Sunday, 22<sup>nd</sup> March 2026.
